### MEETING CIRCULAR

**Sub:** System for Explosives Tracking and Tracing (SETT) – A project under implementation – calling for meeting with all Indian Explosives Manufacturers’ - Reg.

As you are aware, PESO is now in the process of developing a System on Explosives Tracking and Tracing (SETT) for close monitoring and tracing of the last legal source of seized/unclaimed explosives. The objective of SETT is to develop system for effective tracking of every explosives right from the Manufacture to the user end, throughout the supply chain and integrating the SETT to the existing Explosives Returns System (ERS) and the Explosives Licensing Module of PESO.

The technical inputs & suggestions of the Explosives Manufacturers on this project will be of immense help in taking the project on SETT forward. Hence, it is proposed to conduct a meeting on **28<sup>th</sup> September, 2016 at 11.00 am (Wednesday)** at the following venue to share and deliberate the concept, standardisation process & implementation methodology and role of the Explosives Manufacturers on SETT.

**Venue:** PESO’s Conference Hall,  
1<sup>st</sup> Floor, C-Block, CGO Complex, Seminary Hills, Nagpur

Hence, all Explosives Manufacturers are requested to depute their technical person(s), who is at the helm of affairs and conversant with the present Explosives Returns System (ERS), who can take active participation and offer fruitful suggestions in designing and implementation of the project on System for Explosives Tracking and Tracing (SETT).
