To,

All recognized / approved fabricators under Static & Mobile Pressure vessels (Unfired) Rules, 2016.

**Sub:** Approval of new fabrication shops and revalidation of existing approved fabrication shops through online module under Static & Mobile Pressure vessels (Unfired) [SMPV (U)] Rules, 2016 - Reg.

Sir(s),

PESO has developed an online module for recognition / approval of new fabrication shops and revalidation of existing approved fabrication shops so as to generate unique approval number and dokey for the fabrication shops approved under Rule 4(3) of SMPV (U) Rules, 2016

To avail this facility, it is essential for all existing fabricators holding approval for fabrication shops issued by Chief Controller of Explosives, Nagpur and new fabricators desiring to obtain approval / recognition for their fabrication shops, to register through the "Apply Online" → "Petroleum / Gas Cylinders / SMPV (U) Rules Application Login" link given on the PESO's website <http://peso.gov.in/index.aspx> and create a profile with user id and password.

In this matter guideline for the online process is available at Login Page of the aforesaid online application with title "Help Operational Guideline for Pressure Vessels Fabrication Shop Approval".

Please note that the online approval of new fabrication shops and revalidation of existing fabrication shops is mandatory w.e.f from 1<sup>st</sup> November, 2017. All the existing fabricators of fabrication shops are advised to avail this facility and start submitting their online applications and get their fabrication shops revalidated.
