Limited Tender Enquiry for the supply of 32 Nos. of 12 Volt 75 AH batteries with buy-back offer

This office requires 32 Nos. of new 12 Volt 75 AH batteries of Make EXIDE/PANASONIC/ AMCO for its 5 & 7.5 KVA UPS system with buy-back offer of used 32 Nos. of Exide make Powersafe 12 Volt 75 AH (Model No. FE00-EP-75-12W) batteries.

Interested firms those who are registered with this office, are requested to submit the most competitive quotations, in a sealed envelope, superscribing prominently " Supply of batteries for UPS ", including costs for delivery, removal of old batteries and installation of new batteries, less buy-back price of old unserviceable 32 Nos. of Exide make powersafe 12 Volt 75 AH (Model No. FE00-EP-75-12W) batteries by 31st Aug 2016 to this office.

Bids to be submitted in two parts (i) Technical Bid & (ii) Price Bid. The technical bid should contain the documents & specification of batteries as per Annexure I. If the Technical Bid do not contains the valid documents as mentioned in Annexure I and if technical details do not meet with the specification of batteries mentioned in Annexure I, the bidder will be disqualified in Technical Bid.

Price bid should contain price rates as per enclosed format :-

Specification of Battery	Unit	Rate, (inclusive of all taxes /charges)	Less : Buyback battery	Rs. old	Net Amount (in Rs.)
12 Volt 75 AH	1				

The price should be inclusive of all i.e. taxes/cess, installation charges, transportation charges etc. to the Departmental Testing Station, Gondkhairy, Nagpur. The warranty should be 36 months from the date of installation.

Technical and Price bids should be submitted in different closed envelopes, superscribing "Technical Bid" & " Price Bid" on respective envelope. These two sealed envelopes should be placed in a 3rd envelope, superscribing "Supply of batteries for UPS".

It will be the responsibility of the successful bidder to deliver the New batteries to Departmental Testing Station Gondkhairy, therefore bidder has to quote a single final price including all taxes/octroi. Purchase order will be placed in favour of the firm quoting lowest price. Late, conditional and unclear bids will be rejected.

(P.T.O)

Payment will be released after receipt of batteries at Departmental Testing Station Gondkhairy and subject to verification of product quality, specification and Genuineness. The batteries will be verified from EXIDE/ PANASONIC/ AMCO's technical personnel for genuineness. Payment may take about one months time after installation.

(R.A. Gujar)
