**Subject:** ME 16 Meeting

Our Ref: ME 16/A-1

Dear Shri Anbunathan,

I acknowledge with thanks your email dated 14 July 2006. I would like to thank you for sparing your valuable time to chair the meeting of Gas Cylinders Sectional Committee, ME 16 and its subcommittees on 6 & 7 July 2006 at Hyderabad. Under your able chairmanship most of the issues were resolved in a very friendly atmosphere. Immediately after returning from Hyderabad, I was busy in some urgent official work, therefore, I could not prepare the minutes of the meeting. I will send you the draft minutes shortly for your approval.

I would also like to thank Shri Surendranathan for examining all the technical points in the agenda critically and for providing the technical support during the meeting for arriving consensus on most of the points.

With kind regards,  
(C.K. Veda )
