Dear Sh. Thomas,

**Launching of Module for Online Submission of applications
under Petroleum Rules 2002 by external stakeholders**

Reference your letter No. D-18019/Comp./Implementation dated 1.1.13. I would like to compliment you and your team on launching of "Online submission of applications for various Licence Forms like XI, XIV" etc. which in my opinion is truly a path breaking initiative. This initiative of PESO would be of great help to all the stakeholders not just in terms of speedy approvals but would also bring in complete visibility of the transaction making all the concerned more responsible.

I am sure some of the other Licence Forms like Form No. XII & XIII etc. are not included in the "Online submission" list which hopefully would see their inclusion in due course.

Once again, I like to thank you for launching of such customer friendly initiative and wish you the very best and great success in your future endeavour.

Warm regards,

Yours sincerely,

Mr. T.R Thomas
