To

All Petroleum Road Tanker Fabricators

Sub:- Special drive for increasing the number of competent persons under the Petroleum Rules – regarding

Sir,

Govt. of India is promoting Make in India and Atmanirbhar Bharat vision and policies for the promotion of industries in the country. In this regard it is being considered to promote the cause of ease of doing business through focus on the reduction in regulatory compliance burden while ensuring the safe industrial practices to avoid industrial accidents. Inspection & testing of Petroleum Road Tankers are prerequisite for their grant of licence, which are undertaken by competent persons recognized by PESO.

In order to increase availability of competent persons, PESO has initiated a drive to increase the number of competent persons under the Petroleum Rules.

Petroleum Road fabricators are normally well acquainted with the manufacturing, testing & inspection procedures of these tanker. Hence its is advised that the experienced persons working in these industry apply to be recognized Competent Persons under Form-VII Part-B & Form-VIII Part-II of Petroleum Rules 2002 to meet the safety compliance requirements of the industry.

To address the shortage of competent persons, I would request you to encourage all eligible candidates of your organization having requisite qualification & experience to approach PESO, HQ for enrolling for recognition as competent persons under Form-VII Part-B & Form-VIII Part-II of Petroleum Rules 2002 for catering industry requirements related to compliance of safety.

Yours faithfully,

(M K Jhala)

Jt. Chief Controller of Explosives (HOD)
