CIRCULAR

Sub: Procedural changes in respect of Natural Gas pipeline approvals under Manufacture, Storage, and Import of Hazardous Chemicals Rules, 1989 for minor modifications in City Gas Distribution (CGD) Pipelines - regarding.

Reference is invited to the stake holders meeting held on 22/08/2025 and 26/08/2025 with the stakeholders of PSU oil companies and City Gas Distribution (CGD) companies.

As requested by the stakeholders, it has been decided that Pipeline approvals under Manufacture, Storage, and Import of Hazardous Chemicals Rules, 1989 for minor modifications in the approved City Gas Distribution (CGD) Pipelines for addition of branches/extensions in Pipelines or CGD connection spurline from High Pressure Cross Country mainline, upto a total length of 3 km can be processed under amendment option under the existing pipeline approval. Subsequent commissioning permissions for such modifications may be considered without prior inspection by PESO.

However, for major modifications, the prevailing practice of prior inspection by PESO before commissioning shall be continued. It is also informed that Chief Controller of Explosives, Nagpur reserves the right for deciding the nature of modifications, whether it is minor or major in nature, depending upon the complexity of the proposal.
