### CIRCULAR

The PESO approvals of Ex Electrical Apparatus/ Assembled equipment covered under IS/IEC standards or IECEx Certification issued under Petroleum Rules 2002 which are valid as on date, shall be deemed valid till any change or amendment in the product standard (other than base standard i.e. 60079-0: General Requirement) or in the design of product.

The PESO approvals of Assembled electrical equipments which are manufactured in India under other international standards which are valid as on date, shall be deemed valid till any change or amendment in the product standard or in the design of product.

The PESO approvals of Ex Electrical Apparatus which are covered under ATEX certification and manufactured within European Union or approvals of fuel dispensers (petrol/ diesel/ ethanol/ Aviation Turbine Fuel or any other blends as notified by MoRTH from time to time conforming to EN 13617-1: 2012 or EN 13617-1: 2021) which are valid as on date, shall also be deemed valid till any change or amendment in the product standard or in the design of product.

However, in case of approvals granted to other manufacturers (outside European Union) under ATEX certification, the deemed validity shall not be applicable and fresh approval as per the revised guidelines (SOP) issued by PESO shall be obtained upon expiry of their validity.

It may also be noted that the deemed extension of validity is not applicable to Ex Electrical Apparatus whose validity of approval has already expired or approval is issued on trial basis for experimentation and data gathering. Fresh approval for such equipments/ assembly shall be obtained as per revised guidelines (SOP) issued by PESO upon expiry of their validity.

This Circular supersedes all the earlier circulars issued in this regard.

(R. N. Meena)

Chief Controller of Explosives

To,

1. All stakeholders holding license issued under the Rules administered by PESO.
2. All the Circle and Sub Circle Offices of PESO.
3. Indian flameproof Manufacturers Association (IFMA)

Copy forwarded to Shri Pritam Kumar, Under Secretary (Explosives), DPIIT for information.
