Sub:- Issue of filling permission in favour of LPG bottling plants - reg

Dear Sirs,

Several instances/reports are received in this office whereby it is alleged that LPG marketing companies are distributing LPG at distant places (LPG bottling plant storage godown networks do not exist) by obtaining filling permission/hospitality from local bottling plants. Occasionally such permissions are also not obtained.

Beside such malpractice, marketing of PG without having proper storage godown network is detrimental to safety.

In view of the above and to discuss various other issues, this organisation intends to obtain your opinion on the matter.

Accordingly, a VC meeting is proposed in February 2021. You are requested to forward the name of participants, name of the company, mobile No. & e-mail ID to vkmishra@explosives.gov.in

Date & time for the meeting shall be intimated.

Yours faithfully,

(M.K. Jhala)

Jt. Chief Controller of Explosives (HOD)
for Chief Controller of Explosives
