CIRCULAR

Sub: Online Module for Conversion of cylinders service under Rule 28 of Gas Cylinders Rules, 2016 – reg.

It is informed that PESO has launched the Online Module for Conversion of Cylinders service under Rule 28 of Gas Cylinders Rules, 2016. Stakeholders who has obtained cylinder filling permission through online module, can only apply for conversion of the Cylinders along with requisite documents through this newly developed online module. Help Operational Guidelines for online paperless Application is attached herewith.

Encl: As above.

(R.N. Meena)

Chief Controller of Explosives

To

All the stakeholders.

Help Operational Guidelines for Conversion Of Cylinders

Visit the PESO website: <https://peso.gov.in/web/en>

Then click on the Login menu, where you will get the option Petroleum/Gas Cylinders/SMPV(U) Rule Application Login.

The screenshot displays the official website of the Petroleum & Explosives Safety Organization (PESO), a department under the Ministry of Commerce and Industry, Government of India. The website is in English and features a navigation menu with options like Home, About Us, CCE's Desk, Regg./Appr. List, Statutory, Logins, SOPs, Misc. Info, NSWS, and NAPES. A sidebar on the left contains various public grievance and service categories. The main content area is divided into four columns: Government Authorities, Licenses / Stakeholders, Returns Filing, and NSWS. A red arrow points to the 'Petroleum / Gas Cylinders / SMPV(U) Rules Application Login' option under the 'Licenses / Stakeholders' column. Below the navigation menu, there is a section for 'Application Status' with sub-sections for 'Oxygen related', 'Public Domain', and 'Right to Information'. At the bottom, a footer provides information about PESO's history and its motto, 'Safety First'.

After Clicking on you will be redirected to Peso Online Application Login Page. If you have existing user with valid userid and password of PESO then you can login if you are new then you need to register using **New User Link**

Welcome to PESO's Online Licensing System.
