CIRCULAR

Sub: Change of Procedure for Night Operation Permission under Petroleum Rules 2002,
Static & Mobile Pressure Vessel (U) Rules 2016 and Gas Cylinders Rules, 2016 – reg.

It is informed that online module has been updated to facilitate application for operation beyond sunset during grant of license for premises covered under licenses in Form-XV under Petroleum Rules 2002, licenses in Form-LS-1A under Static & Mobile Pressure Vessel (U) Rules 2016 and licenses in Form E&F under Gas Cylinders Rules, 2016.

Following additional documents shall be submitted by the stakeholders during grant of license for operation beyond sunset:

- Self certification report of Lux level at different areas of operation recorded during night hours conforming the national/international standards.
- Details of availability of backup power/UPS supply to critical areas in case of power failure.
- Report on adequate of fire fighting facility for night operations.
- Details of manpower (shift wise) for operation including, maintenance and for fire fighting for night operations.
- Emergency response command structure and disaster management plan covering accident scenarios beyond sunset and mitigation measures.

The availability of the above shall be verified in the subsequent inspections/during endorsement of license.
