Sub: Online generation of Form of intimation to be given by the consignor to the District Superintendent of Police before dispatch of consignment of Ammonium Nitrate (Form-R-11(a)) under Ammonium Nitrate Return System (ANRS) as required under Rule 20 of Ammonium Nitrate Rules 2012 –reg

It is informed that modifications in the online Ammonium Nitrate Return System (ANRS) module have been made for facilitating online generation of the Form-R-11a i.e. intimation by Consignor to District Superintendent of Police/District Authority before dispatch of consignment in the online system within 24 hours in advance and the same is being intimated automatically to DM/SP by auto-generated email for security purpose.

The provision has also been made for linking Form-R-11(a) with the Form R-11(b) i.e. Pass issued by the consignor for transport of consignment of Ammonium Nitrate from consignor to consignee.

Therefore, all Ammonium Nitrate Manufacturers and Ammonium Nitrate store house license holder in form P-3 for sale of Ammonium Nitrate are advised to generate Form-R-11(a) and R-11(b) online through the above system in ANRS.
